GLC3 LEAD aligns with the **Acts 1:8** thrust that ministry flows outward from one's Jerusalem, Judea, Samaria, and to the "remotest part of the earth". As a GLC 3 LEAD trainee, the end goal is for you to intentionally identify, develop and mentor at least 2 potential leaders in your Dgroup, and for you to begin reaching out to different contexts.

MENTORING TESTIMONY

Based on your mentoring experiences using the Leadership Development Plan, please respond to the following:

1. **Challenges.**

Share some of the challenges you encountered in the **DISCOVER** and **DEVELOP** parts of your mentoring journey. Share specific experiences of how you overcame these challenges.

2. **Highlights.**

What were the milestones that your disciple-mentee/s experienced through the mentoring process? Were they successful in starting their own Dgroup? Include character transformation that you observed in your disciple-mentees as part of the highlights.

3. **Character Growth.**

How did God use this process to transform **your** character towards Christ-likeness? What was the biggest character change you experienced in the process of mentoring your disciples to multiply?
